

Woolwich **Girls** Minor Hockey Association

Woolwich Girls Minor Hockey is continuing to grow. The Executive is thankful for the time and effort the coaching staff puts into the season and also the time and effort by the players and parents. Without everyone's help we would not be able to provide the positive atmosphere in which the girls play, learn and more importantly have fun in Woolwich. The Executive strives to provide an excellent coaching staff which will provide your daughter with the opportunity to have a great season while developing her hockey skills and enjoying the game in a safe environment.

Please take a few minutes to complete the following evaluation with your daughter. Your comments and constructive feedback will enable us to continually improve and provide your daughter the opportunity to have a rewarding season.

Thank you,
Woolwich Girls Minor Hockey
